11. Other Business:

- **Information about Initiative for UVM College of Medicine to develop professional development program on patient-centered communication and professionalism for both practicing clinicians and residents.**

Mr. Herlihy presented information regarding the UVM College of Medicine Initiative to develop a professional development program on patient-centered communication and professionalism for both practicing clinicians and residents. He stated that he would like to include this in the next newsletter and provide other forms of support for the program. The members were supportive and encouraged continuing medical education programs for this subject to a wider audience, and expressed a desire for licensees from across the state to have greater access to the program.

- **Letter to Board re Policies Adopted by American College of Emergency Physicians.** *The Board was sent a letter by the American College of Emergency Physicians announcing two policies that relate to medical board investigations and proceedings. Similar letters were sent to many, if not all, state medical and osteopathic boards. This is to share the information with Board members and seek a consensus as to whether a response is warranted.*

Mr. Herlihy discussed the issues raised in the letter he received from the American College of Emergency Physicians and presented the draft response that was distributed with Board materials. Dr. Hayward made a motion in support of a

response to this letter. Mr. Gill seconded the motion. The motion passed; opposed: none; recused: none; abstained: none.
